Dear Mr. Rehder and Mr. Tarlton:

The U.S. Department of Energy Rocky Flats Field Office is pleased to provide your agencies with two copies of the Final Pre-Remedial Investigation of the Individual Hazardous Substance Site 118.1 Data Summary Report as a courtesy for your information. This data will be used to determine whether an interim remedial action is required, and how a potential remedial action would be implemented if one is necessary.

If you should have any technical questions regarding this transmittal, please contact Norma I. Castaneda at 966-4226 or contact me at 966-4839.

A handwritten signature in black ink, appearing to read "Slaten", is positioned above the printed name and title.
